the Bangalore Dt Board's Presidents, the Cost to Govt is not merely that of printing but also that of paper for 1250 copies of the Gazette, each of which reproduces the matter. If however, the Cost of the paper goes into the calculation of 'Job Cost', the proposal is unobjectionable.

3) The real remedy seems to lie in the direction of separate printing of their proceedings by the local bodies and the publication in the Gazette of only selected matter of general interest

4) Job rates maybe charged, taking the number of copies printed into consideration. Advertisement rates which include a charge for the circulation in addn to the actual cost are likely to be heavy enough need not be changed.

Municipalities, Local Bds & Malnad Dev. Committees have to pay for any matter sent by them for publication in the Gazette. The Supdt's recommendation does not include the matter sent by the M. D. C. for publication. May this also be included? A draft G. O. sanctioning the Supdt's proposals is however put up for approval.
